TEACHER OF SOCIAL SCIENCES

ST JAMES'S CHURCH OF ENGLAND HIGH SCHOOL

THE BISHOP FRASER TRUST
A CHURCH OF ENGLAND MULTI-ACADEMY TRUST

WELCOME

Dear Applicant,

I'm delighted that you are thinking about joining us. The Bishop Fraser Trust is Multi Academy Trust which was set up on the 1st December 2017. Our family of schools are as follows:

- St James's Church of England High School (11-16)
- Canon Slade School (11-18)
- Bolton St Catherine's Academy (3-16)
- Bury Church of England High School (11-16)
- St Catherine's Church of England Primary, Horwich (3-11)

At The Bishop Fraser Trust, our vision is to ensure all our communities experience **'LIFE IN ALL ITS FULLNESS'** (JOHN, 10:10).

For our pupils, this means an unwavering commitment to ensuring our pupils attain the outcomes they need to lead a happy life, but also that they have been immersed in a wide range of experiences both within the taught curriculum and through enrichment opportunities. This is so they will leave us knowing how they might best lead a life in its fullness. This also means knowing how to navigate setbacks and harder times.

For our staff, we know they cannot achieve life in its fullness if they are not fulfilled at work. We know our staff have great moral purpose, so for our staff we need to ensure we are providing an environment where they feel great job satisfaction and know that we will invest in their own career pathways, in the same way they are doing so for our children.

For our parents and carers, we know that they cannot live life in their fullness if they feel that their own child is not able to thrive in their school community. To this end, we need to work with all our parents in a partnership to remove any barriers which are hindering their children flourishing. We know our children very well, but the real expert is the parent/carers and we recognise this.

For our communities, we want our mission to reach beyond the school gates and even beyond our family homes. At The Bishop Fraser Trust we believe that we should be adding value to our communities. All our children will engage with community social action while they are with us. This is because we want to ensure that they develop a sense of pride and agency in their community and a sense of civic duty. This will ultimately help develop, sustain and improve our communities.

What this means in practice:

If we are serious about this (and we are), this meant that when deciding on the next set of goals for our strategy, they needed to reflect that personal development of our children was as important to us as their educational outcomes. Therefore, perhaps unusually in such an attainment driven system, we have collectively set goals for our schools around enrichment experiences and social action, as well as the value we add to ensuring that our young people will remain in either education, employment or training, long after they leave us. This, we know, will only happen if we have taught our children successfully on how to navigate setbacks through a

rich personal development and character education programme.

We are an outward facing Trust and constantly look to learn and collaborate with others. We also have an excellent provision via our Train Teach Lead Partnership (TTLP), which offers excellent CPD and school to school support. Our links with Manchester Diocese, GMLP and the Bolton Learning Partnership continues to be strong.

Our employees are very important to us as we rise or fall by the professionalism and dedication of our staff. As such, I place great importance on continuous professional development for all staff members and have always strived to create a culture where our educators know that if they go the extra mile for our children, we will do the same for them.

Educational attainment is important to me, I want to make sure we are opening all doors for our children. However, as important to me is children's personal development. I firmly believe that character education is a cornerstone in the development of well-rounded, responsible, and empathetic individuals who will go on to make meaningful contributions to our world. In this way we prepare our pupils to lead 'life in all its fullness'.

When recruiting, we always look for people who share these beliefs. If this strikes a chord with you, then we would love to hear from you.

WELCOME TO THE SCIENCE DEPARTMENT

The social sciences department is currently made up of two full-time teachers. One teacher also teaches RE while the other teaches some PSHEE.

The teaching load will be significantly social sciences and the timetable requirements will be made up dependent on the applicant's skill set.

There is significant support from the relevant HOD's.

The department has two dedicated classrooms. Both classrooms have an interactive screen, visualiser and whiteboard. Staff enjoy the benefit of their own teaching room.

The department is well resourced with digital/interactive resources, in class booklets, a wide range of texts along with a large stock school produced material.

Social sciences consists of GCSE sociology (AQA) and CNAT Health and social care.

The uptake at KS4 is very good, with currently three sociology groups in Y11, two in year 10 plus two health and social care groups. Our results are excellent within social sciences.

Through social sciences we aim to teach students about how society functions and what influences the behaviour of individuals and groups. In Sociology we explore three key theories that underpin the sociological approach – Marxists, Feminists and Functionalists.

We look at current issues in society as well as historical ones to figure out:

- The hidden rules that exist in our society and how and why we learn these rules.
- How our gender, ethnicity and social class affect our lives.
- Why people break the rules of society and why some individuals commit crimes.
- How Sociologists research people and society to discover the truth.

We conduct research, read real life case studies and explore both current and historical social issues.

ABOUT OUR TRUST

The Bishop Fraser Trust was established in December 2017. We came together to support one another and enhance our schools' communities to enable all of our young people to experience **'LIFE IN ALL ITS FULLNESS'** through an excellent education based on our Christian values.

We are dedicated to the Bolton and Bury areas. All our schools can be reached within 20 mins from our Central Office, which is based at Bolton St Catherine's Academy.

Our strategic growth plan aims to expand our primary sector to around 4 / 5 schools in the next few years and establish the primary trust offer. We would also consider further growth in our secondary sector.

Our vision is: allow all young people to experience **'LIFE IN ALL ITS FULLNESS'** (John 10:10), no matter what their starting point. Our Trustees' work focuses on how we operate as a Christian Trust through our four values of:

WISDOM

COMMUNITY

HOPE

DIGNITY

These values are the basis of all decision making and are woven through each of the schools' personal core values. We work collaboratively at all levels; Executive Team, Strategic Leadership Group, Senior Leader Teams, Departmental Hubs and with our large body of associate support staff. What is clear is that together we are stronger. Our teams now share best practice at all levels, benefitting our young people's education, both academically, spiritually and culturally and their own professional development.

Developing our workforce is so important to us. We have a legacy teaching school which we have retained, the Train Teach Lead Partnership (TTLP), a standalone centre based at St James's CE High School with a Director and Manager to oversee all aspects. The Director of Teaching and Learning works closely with TTLP. Through TTLP, we support the Trust with:

- Support the training and development of new teachers through our Initial Teacher Training Programme and will continue in partnership with local universities. The Trust successfully appoints ITT candidates, who have completed their training through the TTLP.
- NPQs & Apprenticeships.
- SLT, Trustee, Governor, Middle Leader & Support Staff Training.
- School to school support, both in the Trust and the local area, where we have 50+ SLEs registered.

We are approved by the Department of Education as an academy sponsor and are seeking to continue to grow our Trust further.
